

On the **FIRST** day of
Christmas my true love
gave to me.... a partridge
in a pear tree!

Roses are red and these
pears are green, a
partridge from friends that
cannot be seen. We'll have
to be tricky, don't watch
for us running. If you catch
us too early we just might
stop coming!!!!

On the **SECOND** day of
Christmas my true love
gave to me.....2 turtle
doves!

Surely two turtle doves
would have brightened
your day. Instead you get
chocolate and soap, 'cause
the birds flew away!

On the **THIRD** day of
Christmas my true love
gave to me....3 french
hens!

As the story tells it three
hens you should get, but
France is sold out so
warm this "starter set"!!

On the **FOURTH** day of
Christmas my true love
gave to me.....4 call ing
birds!

These four call ing birds
look kind of suspicious.
But take a closer look,
they might be del icious!

On the FIFTH day of Christmas my true love gave to me....5 golden rings!

Gold doesn't come cheap, as you and I know. Five rings would be a whole lot of dough. Instead, try these babys on for size. They're sweeter you know, just a word from the wise!

On the SIXTH day of Christmas my true love gave to me.....6 geese a-laying!

Six geese a-laying, that's an interesting sight. One of them squawked, and they all took flight. Lucky for you, they left something behind. If you eat these all up, I don't think they'll mind!

On the SEVENTH day of Christmas my true love gave to me...7 swans a-swimming!

It's the 7th day of Christmas and we're halfway done.

Remember: NO peeking, or you'll spoil the fun. Seven swans went swimming in a lake full of bubbles. Eating all the goldfish to take away their troubles!

On the EIGHTH day of Christmas my true love gave to me.....8 maides a milking!

The maides were out milking when Oh what a fright, the milk came out brown not the usual white!

On the NINTH day of
Christmas my true love gave
to me....9 lad ies dancing!

Nine lad ies dancing would
be a big crowd, Besides all
their music is just way too
loud. So to help with the
tunes and your first dance
step. Pop in these beats and
try a pirouette!

On the TENTH day of
Christmas my true love gave
to me....10 lords a leaping!

Ten lords a leaping would
have been an awesome gift.
But they got stuck jumping
through a white snowdrift. In
the meantime, we hope that
these frogs will suffice. Just
pucker up, they'll turn to
something dashing and nice.

On the ELEVENTH day of
Christmas my true love gave
to me....11 pipers piping!

Eleven pipers piping remind
us of our plumber, To leave
him on the doorstep would
be a real big bummer. Now
make your water piping hot
and fill your cups with care.
Tonight you get hot
chocolate so drink it up,
don't share!

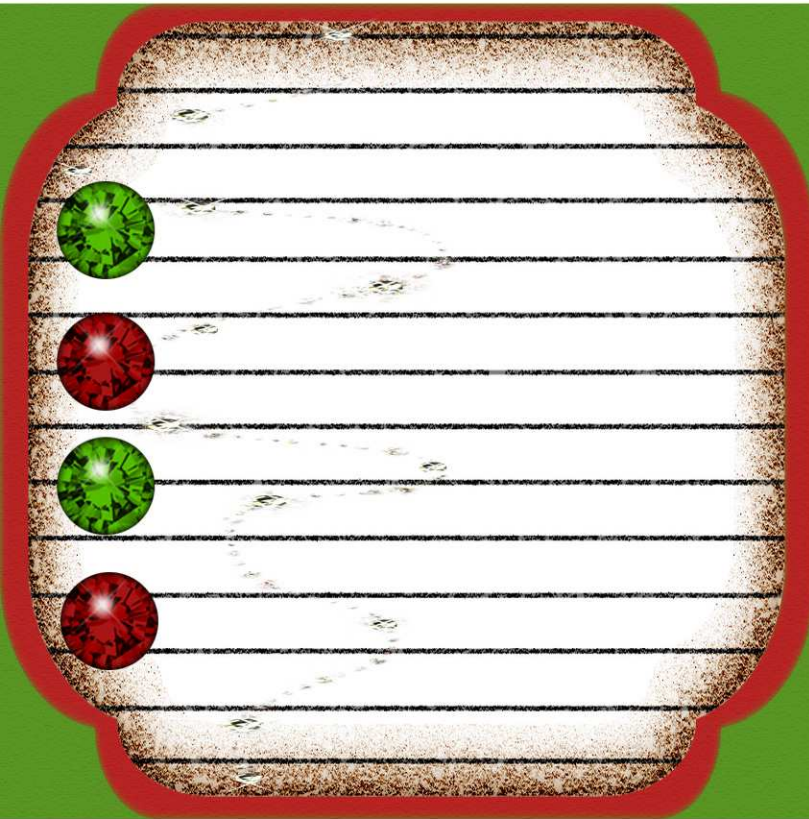

On the TWELFTH day of
Christmas my true love gave to
me....12 drummers drumming!

The drummers use their
drumsticks and are quite
cunning. We are too, BUT don't
want to keep running. We hope
you had fun, we certainly did.
Happy 12 days of Christmas,
Love The Kids!
