

HOT STONE MASSAGE KIT

Product Highlight:

1. Increases circulation, facilitating blood flow for optimal body functioning.
2. Vasodilates blood vessels, causing an increase in blood flow throughout the body and providing the important fuel needed to keep the body functioning efficiently.
3. Increases cell metabolism, increasing the rate at which the body processes nutrients and toxins.
4. Supports lymphatic function, which increases detoxification, cleansing, and elimination.
5. Promotes deep muscle relaxation, helping to alleviate stress and tension throughout the body.

INSTRUCTIONS FOR USE

Put the energy stones into the heating box, close the lid, and plug into the power supply — heat for 20 minutes. After the 20 minutes, test the temperature by hand to ensure it's adequately heated but not too hot to touch. Once heated to the proper temperature, the stones may be taken out and used.
