Dopey- You are sweet and silly.
You have a good sense of what is
going around you because you
are a silent observer. You are fun
to have around and are quite
lovable!

Sneezy- You tend to be a bit
of a worrywart. You've
learned that it pays to be
cautious in life. You are very
responsible and detail
oriented. You are good at
staying on task. You may be
quite serious, but you never
take yourself too seriously.

Grumpy- You are stubborn
and passionate. You can't be
easily intimidated or talked
out of something. You are
Loyal and will stand up and
fight for those you love. You
are a true leader.

Sleepy- You are an easy-going,
relaxed person. You don't have
a care in the world. You wear
your emotions on your sleeve
and no one has to guess what
you're feeling.

What would be more likely to
stop you from doing something?
A) Your energy level
B) Your insecurities

Bashful- While you might not
always be the first one to jump in
and do something, you are an
excellent listener and a deep
thinker. You are extremely
sensitive and emotional.
You are very polite and caring.
You think before you speak, & you
never say anything you regret.

Happy- You are outgoing and
friendly. An inspiration always
lifting people up. Your positive
attitude is your best trait. You
can't stand confrontation.
It's important to you that
everyone gets along.

DOC- You are extremely
intellectual, and sometimes you
find it hard to relate to other
people because of it.
Even though everyone feels a bit
dumber around, they like having
you around. Your wisdom and
advice is always respected and
appreciated
